PLANTING CHURCHES, GLORY TO GLORY

“This is a new church?” I asked the pastor guiding me after driving three hours. A large temporary shelter had been erected literally in the middle of no where. I could see nothing but trees and grass in every direction. Yet, hundreds of people were there. I shared in a teaching session shortly after arrival. Everything “worked” beyond my expectations. The feeling, expressions, attentiveness, and questions left no doubt the whole place was anointed by the Holy Spirit in a very precious way. After showing the Jesus Film the vast majority responded quickly to the call to accept Jesus as Lord and Savior. Overflowing joy floods my soul every time I share these stories. I’ve had good Christian people tell me how blessed they are to see and hear how God has and is changing Africa. Then, they add, “Why is it we seem to be going in the opposite direction in America?” As Paul Harvey used to say, “Now for the rest of the story.”

The people responsible for this church plant were from our Bulyambeba School of Ministry (MOT-MOT). One of my former students greeted me and asked if I remembered praying for her

wayward son? God answered our prayers by planting this church in the son’s village where he is a founding member. Would this Son have been drawn to The Kingdom of God by people committing treason against the Kingdom of God? Are people drawn to Jesus by lies and deception? Cheaters? Stealing? Adulterers? Lovers of money? Never! This behavior draws people to Satan, the loser. The Kingdom of God wins! One of the

(like unrepentant liars), whose side are you really supporting? No wonder you “see” a world going to hell. Ananias and Sapphira were good church members, giving a substantial gift to the church. Their financial support of the church came with a lie. They were judged by the Holy Spirit guilty of treason and execution of sentence was immediate. James chapter 4 and verses 7-10 says, “Submit yourselves therefore to God.

Resist the devil, and he will flee from you. Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded. Be afflicted, and mourn, and weep: let your

strategies of the devil is to inundate us with stories leading us to believe the whole world is going to hell. The Kingdoms of the World are going to hell. Our allegiance is to the Kingdom of God. I won’t commit treason. I will only side with those UNDER GOD. I am disturbed when church attending Christians “side” with Kingdoms of the World against the Kingdom of God. According to Judges 2:17, this is spiritual prostitution. You may be saying, “I would never side with The Kingdoms of the World.” If you FAVOR those committing acts of treason

laughter be turned to mourning, and your joy to heaviness. Humble yourselves in the sight of the Lord, and he shall lift you up.”

We have but one king. His name is Jesus. He said, “If I be lifted up from the earth, I’ll draw all men unto me.” With selfless devotion to Christ (not our government, or political party, or money, or any other ungodly behavior) all of Africa, and the world, would be saved.

Remain Faithful,

MACKMORE AND 7TH GRADERS TRIP Linda Jones

Thank you so much for your prayers for Mackmore. His surgery on his worst ear drum was closed in Lusaka and his stitches have been removed, he has healed nicely. We traveled safely there and back. With my upcoming schedule for the next 4 months we may wait until the end of November to have his other ear done. My mom's have shared he is talking to his friends more than ever but his voice is very deep. We are praying he will soon feel confident to talk with adults. Keep in your prayers our three grade 9 students who need to pass 2-5 courses each to continue on to grade 10. If they do not pass they will not continue School. This is very critical for their lives. They will be testing in July not June as we had been told earlier. We had a wonderful day trip to Livingstone this month with our

kids who graduated grade 7 in December. We decided a few years back this was the best way to take them as they graduated from Grade 7 and moved into town for grade 8. It is always exciting to see their faces when they see elephant, giraffe, zebra and more for the first time up close. Michael always makes the trip exciting, we found two mother Elephants with babies. As we sat watching them from the truck I felt we were too close. Sure enough the mother elephant decided we were also and move toward us with ears flapping even making a trumping sound for us to move on. Memories I'm sure the kids will keep forever in their hearts. We had lunch at a fast food fried Chicken

place and then on to Victoria Falls. Again sights and sounds of the rushing falling waters I am sure will be with them forever. We stopped for Ice Cream sundaes then back to Kalomo. Between the game park and Victoria Fall's, I some how lost my camera. No pictures of our special day. We are gearing up for our second team arrival plus Sheri, Olivia and JoAnne's visits. Global Orphan Relief will visit all three sites staying at both House of Hope and House of Faith. I have even organized a school visit at 5 different places so they can visit the kids that are sponsored. Setting up beds and buying food with 4 ½ hours between sites is always a lot of work but I am thankful the Lord has always blessed me with organizing things ahead of time. Victor is walking more and more with the rail and Royal got a new table to use with his wheelchair. Winter clothes, shoes, new underwear and socks have been given out now at both sites. My list is still long but I am checking things off as I go. All the children have been healthy and working hard in school. I am blessed, Thanks for prayers!
