JESUS

by Mike Jones

The birth of our Savior is like the old song to me, “Every Day With Jesus is Sweeter Than the Day Before”. Every Christmas is greater than the last. We have Christmas programs scheduled for Mapampi and Sinazongwe with our children. Christmas here is not like in America. Christmas pro-

grams are big deals, making great memories.

Churches meet on Christmas day after all night prayer meetings Christmas Eve. God the Son came to earth as a

baby so that one day Mike Jones (and you) would have authority to use His name (beginning with salvation).

We teach and preach that at the name of Jesus every knee shall bow and every tongue confess that Jesus is Lord. Using His name (the authority in the name of Jesus) is like thunder and lightening in the spirit

realm. Using the name of Jesus, and the authority of His name, I’ve seen all kinds of sicknesses go away. Many people where I live, Kalomo, wonder if diseases like covid-19 were real, because they never saw them. The name of Jesus is above all. I’ve seen a man bent over to the point where his

in a small rural church hearing me preach on the name of Jesus, shouted out loudly “Jesus”, at the same time shooting his hand up straight and high. All of the air in that very small rural church was drawn out because of the gasp of the people. He hadn’t been able to lift his arm above his

shoulder for many months, and everyone in this small community knew. I haven’t seen every person healed (my wife of forty-two years

head was at his waist level, stand as straight as an arrow, through the power in the name of Jesus. I’ve seen a baby in a road accident, a child drowned, a man whose family was building his coffin, all come back to life through the power in the name of Jesus.

Probably the most dramatic “sign and wonder” was a man

died of cancer), but all I’ve seen miraculously healed happened through faith in God and the authority in the name of Jesus. Even greater, those calling on the name of Jesus (saved) are not to be counted by the thousands, but by huge territories now filled with churches. Christmas is precious to me!

The precious orphaned children in our care are growing up fast and doing great. One of our former children, always active in church and a worship leader, now happily married with one child, is about to give birth to her second. She came to us a very sickly child. Her relatives

never expected her to marry and have children. Your prayers for these children are bearing miraculous fruit. God could have raised up someone else to care for these children, but He chose us with you, our partners, so that together every need has been supplied. The School of Ministry (MOT-MOT) present and former students are always coming to me with amazing stories of evangelism, churches planted, and miracles. The elected leader of a big denomination in Zambia encourages me every time I see him with stories of what our time together, which included MOT-MOT, has

reaches their plate. My wife helps me wonderfully. She is a very good interpreter and always encourages the people, often in song. She and the boys are growing up both physically and spiritually. They are truly a great blessing from the Lord to me, and our mission/ministry.

meant to him.

Practically every week I'm preaching in a different area and church. The attentiveness is striking, as if they are very hungry, ready to catch and eat every piece of spiritual bread before it

year, and ask you to do the same for us in this ministry. Your prayers and support, financially and otherwise, are lifting the people of Zambia, and even Africa, to new heights.
