Dear Prospective Team Member:

We are so excited that you are considering being involved with our organization to serve people in Africa. We are always happy to find people dedicated to serving in the global community. We are honored you are considering Noah Ministries as a place where you can serve.

The purpose of this application is to get to know you and understand where you could be of the most help to our organization. We also hope this application helps you understand better what our organization is looking for.

Most of our mission trips are two weeks in length. For these trips we hope to pair you with the best team based upon your time frame of availability and skill set. We do offer opportunities for longer mission trips and are even looking for people who feel called to work with us full time. There is an interview process for anyone desiring to stay beyond a general two week mission trip with a team.

Thank you for taking the time to fill out this application. You are welcome to either print this application, fill it out by hand, and scan the completed version to be emailed; or fill in the information using Microsoft Word. After completing your application please save the document as "your name" and email it to us as an attachment at noahministries@gmail.com. If you are a married couple or family only one form is necessary, but please list all names and ages. Please feel free to include any questions you may have in your email. We will get back to you as soon as possible. May God richly bless you as you continue to be faithful to serve Him.

Blessings,

Sheri Jones
